

Fire Suppression Appropriation Update

Notification has been received that balance in the Public Safety Equipment Fund (PSEF) reflects \$115,932 of the \$500,000 appropriated for fire suppression kits for Ford Crown Victoria vehicles for FY2009.

State and local law enforcement and other governmental entities may submit applications for funding according to a two-step process of request submission and application provided in the *Fire Suppression Appropriation Announcement*. ACJC will award funding on a first come, first served basis as required by legislation. Requests will be accepted via e-mail or fax beginning Wednesday, January 28, 2009, 10:00a.m. MST and must comply with requirements in the *Fire Suppression Appropriation Announcement*.

Please see *Fire Suppression Appropriation Announcement* for details. Requests and applications will remain "active" and eligible for award through the fiscal year 08-09 funding period. No further announcements will be posted. Once a valid request and application have been submitted, it will not be necessary to reapply as additional monies become available.

The remaining funds up to \$500,000 will be awarded to eligible applicants as additional monies become available. You will be contacted by ACJC staff to finalize the awarding process.
